NEOCON 2023

Ooty and Tibo pick up gold at Best of NeoCon.

It was a joy to welcome guests into our world during NeoCon 2023. Our showroom was the perfect setting for the North American launches of our new collections where drinks, including our legendary Light Bulb cocktails, were served alongside chocolate dipped strawberries and miniature ice creams.

Why not sit back, relax and catch up with everything new.

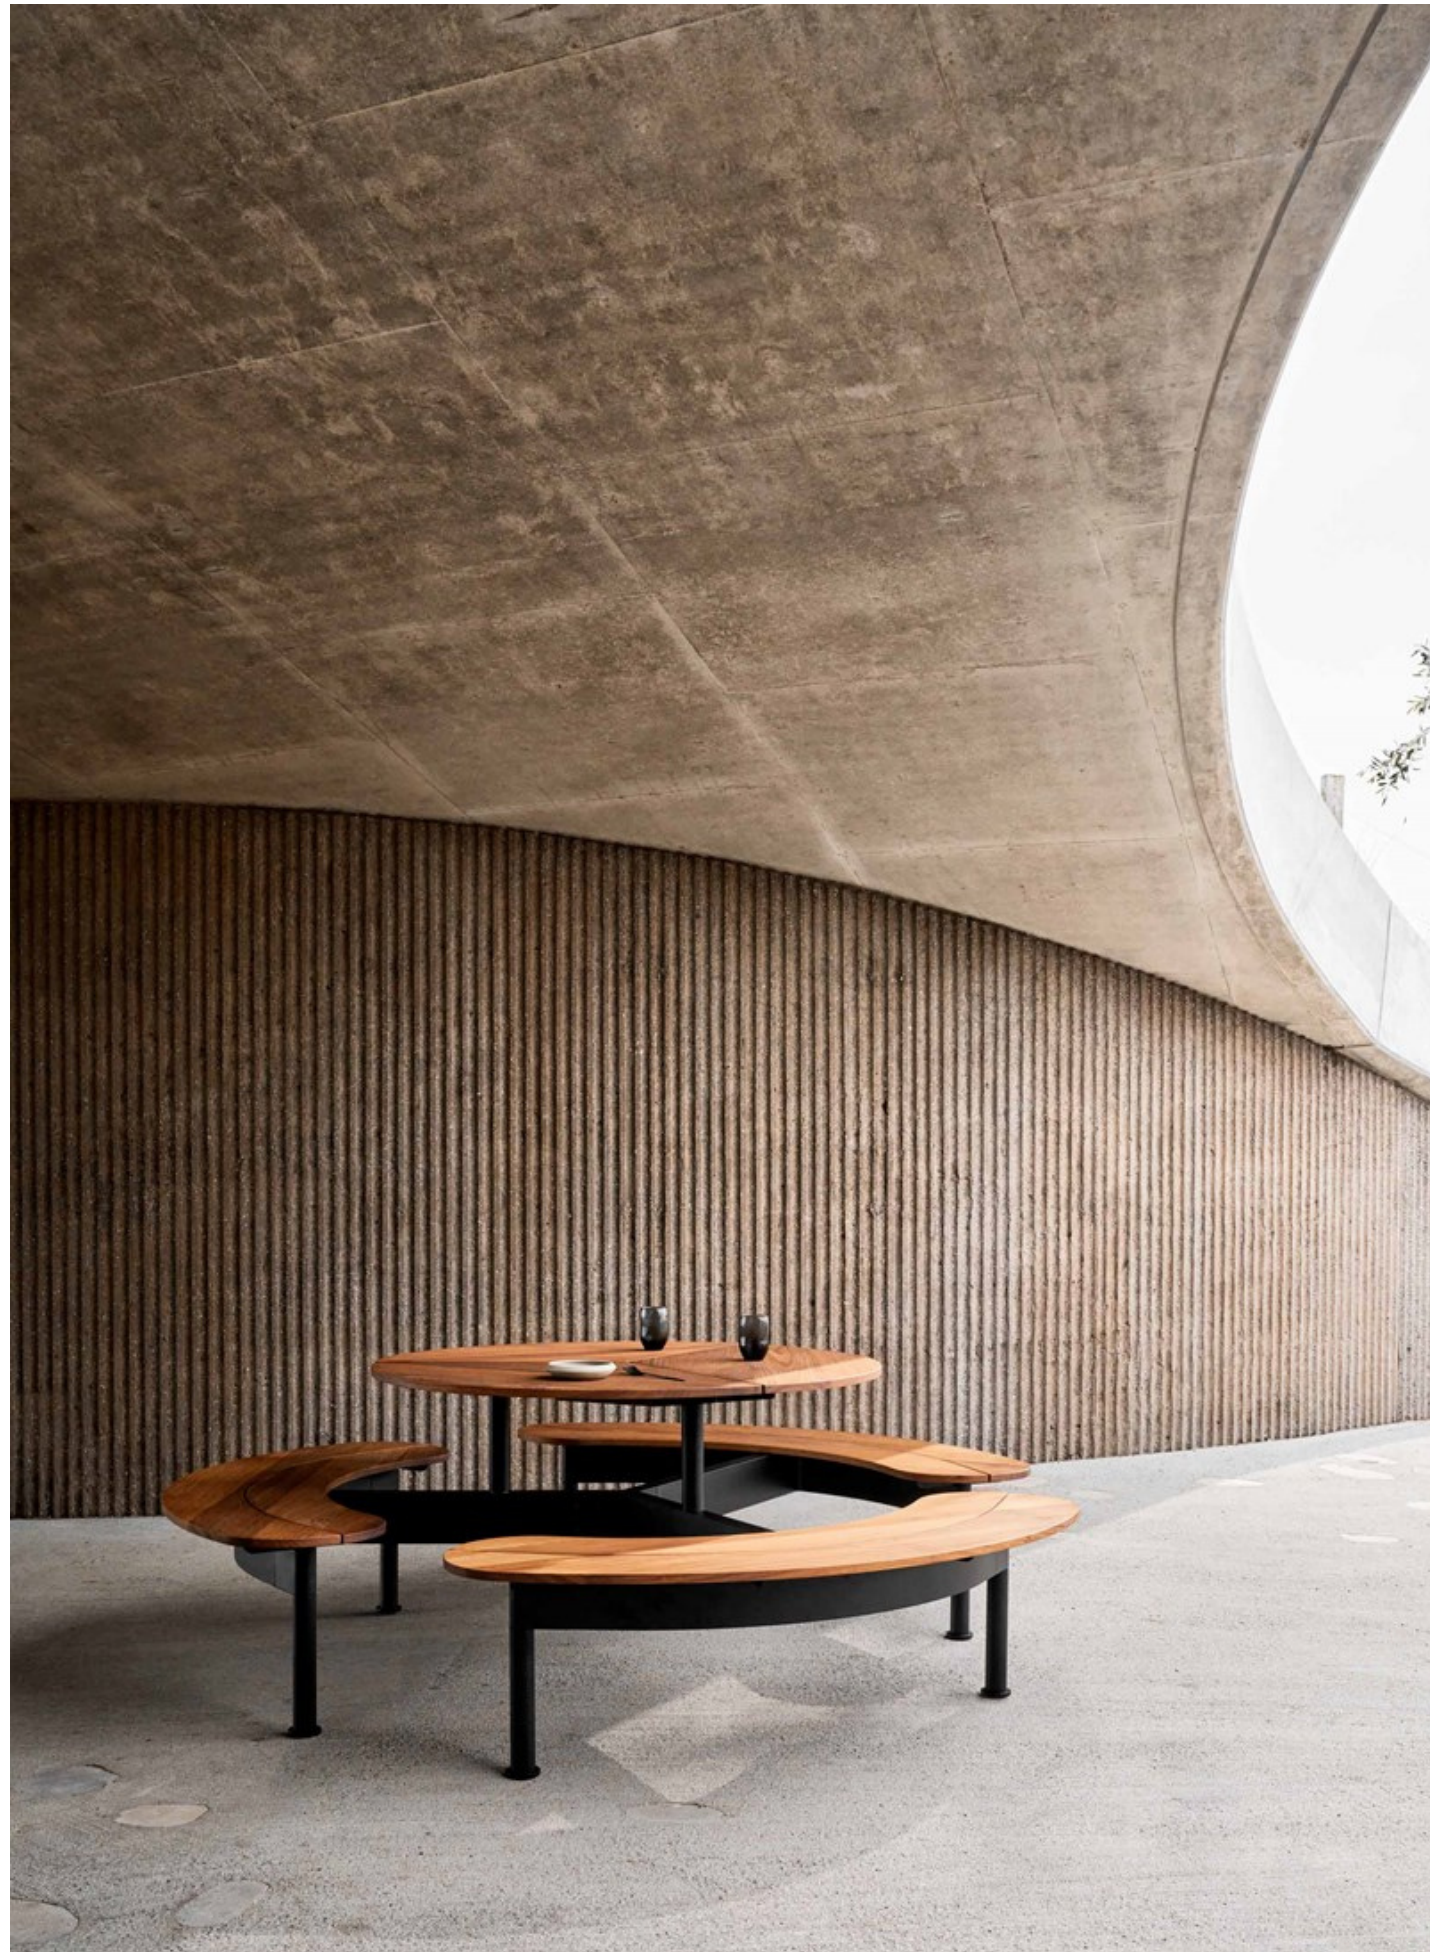

New for NeoCon 2023, Tibo by Mark Gabbertas was awarded Gold in the Outdoor Tables category.

The indoor and outdoor system takes the familiar typologies of the outdoor picnic table and the indoor work bench, combines them and then reimagines both. Tibo is designed to bring people together.
